The Information System of Palmistry Part 2: Analyzing The Minor Lines Sunday, September 29, 2019 Lecture 3:00pm - 4:30pm

This is a class in palmistry for enthusiasts who have begun to develop their interests and beginners who wish to discover.

Representing the qualities of Money, Affirmation, Fate, Fame, Health and Determination - Minor Lines commonly present themselves in hands and can change frequently. Although considered to be minor, these lines represent important avenues of energies, and grant detailed insights to popular queries in palmistry. In this class lecture, Rann Goldrich will be covering identification, evaluation, and applications of the Minor Lines for past present and future interests in personal and advisory capacities. Class participants will have their Minor Lines charted for comparison and personal evaluation.

*Handouts are included.
